Headteacher: R Gibb BMus, MEd

## Maths Teacher - Full time

### MPS/Upper Fringe

**Start date: January 2021**

The Priory School is a vibrant and exciting Church of England comprehensive school. As the newly appointed acting headteacher, I am inviting exceptional candidates to apply for a position here with us as we work together on our journey to Outstanding.

The school has 734 students including a Sixth Form. We benefit from excellent facilities which are set to improve further due to our expansion programme as student numbers grow. One of two secondary schools in the town of Dorking, we aim to provide inspirational teaching in a caring and supportive environment. Our Christian ethos sets us apart from other schools but we welcome staff and students from all backgrounds.

Full time post preferred but part time flexibility is an option the school will consider.

We are seeking to appoint for January 2021, a suitably qualified, committed and talented Teacher of Mathematics to teach across key stages 3 and 4 and the ability to teach A Level Maths and Further Maths would be an advantage.

The successful candidate should have great enthusiasm and knowledge for the subject and will continue to strive for excellence within the Department and will drive standards of numeracy throughout the school.

In March 2019 Ofsted graded the school 'Good' with outstanding features and we were judged as outstanding for SIAMS in December 2015.

If you wish to join a school that is thriving but destined for even greater things then we would welcome your application which should be submitted by **noon on Wednesday 30 September 2020**.

Interviews : date to be confirmed
