

THE PRIORY SCHOOL

D O R K I N G

Headteacher: Mrs J Trimnell

27 April 2021

Dear parents and carers

Now that the Year 11 have completed their written mock examinations I would like to update you via video on what to expect for the remainder of this term and also educational opportunities post half term. You can view the video [here](#).

Below I have laid out a timeline of key information referred to in the video;

7th May	Full reports and mock grades come home to parents/carers Students receive their mock results in school
w/b 10th May	Art mocks and GCSE Hospitality and Catering final practicals Subject evidence base lists made available on the school website
17th-28th May	Focus for in class assessment across all subjects Some in class assessments will also occur in the three weeks leading up to this. Students will be informed of these by their class teachers.
27th May	BTEC Dance Show, part of their course assessment
28th May	All coursework grades will have been shared with all students by this date End of regular attendance at school for Year 11 students
HALF TERM	
7th June	Students can access learning via GCSE Pod and a number of additional opportunities will be made available including a mock interview day
12th August	GCSE results day

As I have said in my video there will be more information to follow before half term about this year's results day and the appeals process.

Can I reiterate the importance of the learning and in class assessments that will be occurring in lessons over the remaining few weeks. They are your child's chance to demonstrate their progress and to give us the evidence we require in order to generate their GCSE grade. We cannot award a grade that is not demonstrated via the evidence base.

Our expectations around uniform and behaviour remain high as Year 11 remain role models for the lower years. A commitment to high standards is not only important in the school context but is also habit forming as our students move on to their next phase of education and ultimately the

workplace. Thank you for your ongoing support in ensuring that this remains the case and is understood by your child.

If you have any questions or concerns please don't hesitate to contact me directly via my email lat@priorycofe.com and I will get back to you.

Kind regards

Mrs Abbott
